Office Action Summary

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claim 1 is rejected under 35 U.S.C. 102(e) as anticipated by or, in the alternative, under 35 U.S.C. 103(a) as obvious over Gerspacher.

This is the same as the previous rejection, incorporated herein by reference.

Claim 6 is rejected under 35 U.S.C. 103(a) as being unpatentable over Gerspacher taken with Rositani.

This is the same as the previous rejection, incorporated herein by reference.

Applicant's arguments filed 9/29/03 have been fully considered but they are not persuasive.

The Declaration does not distinguish the product from that of the reference; it only characterizes it more completely. The internal structure of the product of Gerspacher needs to be elucidated, for comparison.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

Any inquiry concerning this communication should be directed to examiner Hendrickson at telephone number (703) 308-2539 or 571-272-1351.
